

Centre for Policy Drafting and International Understanding
(CPDIU)

Brief overview:

The Centre for Policy drafting and International Understanding is an initiative of Symbiosis Law School, Hyderabad which has been established with the aim to keep the students abreast of domestic as well as international affairs.

Aims:

- To strive to be a platform where the efficiency and relevance of International Treaties, Agreements, Conventions and Policies can be gauged
- To draw attention to the International bilateral and multi-lateral agreements, the implementation of which can have a pivotal influence globally.
- To establish the overall impact and pragmatic viability of the said agreements on a global level.

Objectives:

- To conduct a mock parliament debate at various levels.
- To organize guest talks, lectures, seminars, symposiums on important policies and issues.
- To organize a panel discussion stressing on political issues.
- To organize policy review competitions for the abovementioned aims.
- To aware the students regarding the Latest Policies and International treaties and agreement so that the person get the idea regarding laws which regulates its action and behavior both domestically and internationally

Recent Events organised by the cell:

- **Swarajya: The inter varsity mock parliament**
- **LexInspicio: The international policy review competition**
