One Day Workshop On "Consumer Protection Laws" on 27th February, 2016

Though consumer is the purpose and most powerful motivating force of production, yet at the same time consumer is equally a vulnerable segment of the whole marketing system. Attempts have been made to guard the interest of the consumer in a sporadic way till 1986, when Government of India enacted a comprehensive legislation- Consumer Protection Act, to safe guard the interest of the consumer than ever before. The Act enshrines the rights of the consumer such as right to safety, right to be informed, right to be heard, and right to choose, right to seek redressal and right to consumer education.

Symbiosis Law School, Hyderabad organized a One- day workshop on "Consumer Protection Laws" on 27th February 2016. Mr. B. Sri Kiran a Senior Advocate who has expertise in Criminal, Civil, Family, Consumer Dispute and Labor laws was the resource person who helped the students enhance their knowledge and skill in the area of Consumer Protection and Consumer Welfare which is useful to provide consumers with information related to products and services. He sensitized the students about the developments taking place in the area of consumer welfare and the impact of globalization on the life of consumers and explained the various provisions of the Consumer Protection Act,1986 and other legislations which has a bearing on Consumer Protection.

Prof. M V Chandramathi, Assistant Professor, and incharge of the workshop proposed the vote of thanks.
