“One day Workshop on Marriage and Divorce –Changing Disposition in India” on 19th March 2016

Senior Advocate Shri G.Madhusudhana Rao visited SLS, Hyderabad on 19th March 2016 to speak on Marriage and Divorce – A changing disposition in India. The main purpose of organizing this workshop was to provide the insights, both practical as well as theoretical about Marriage and Divorce in the context of changing socioeconomic scenario in India.

The Resource person Shri G. Madhusudhan Rao Senior Advocate addressed the students by stating the importance and background of Marriage—which is the pillar of family system and sharing the required importance and information of legal aspects of family law of India and emphasized upon the aims of the legislations. He gave an elaborate oration on various judicial decisions, past and present, and also discussed about feminism in general.

On the other hand, he also spoke about the mediating effects of demographic or socio-economic factors on attitudes and opportunities and constraints, patterns of behaviour that have profound influence on marital satisfaction and stability. The financial independence of women is less likely to have been recognised as underlying cause for divorce. At the end of the Workshop, he had organized quiz and gave away books on family law as prizes to students. The students were jubilant and enthusiastic and attended in large numbers.

The workshop concluded with a Vote of thanks by M.V.Chandramathi, Assistant Professor, Symbiosis Law School, Hyderabad who stated that the workshop was not only informative, but was motivational, analytical and logical.
