### **INTERNATIONAL SEMINAR**

### **ON**

### **TERRORISM AND ITS SPINAL NETWORKS**

Date : 16 and 17 August 2018, Thursday and Friday.

Venue : Convention Hall

### **BACKGROUND OF THE INTERNATIONAL SEMINAR**

This seminar offers a window into the study of terrorism, giving students a critical survey of terrorism as a historical phenomenon and of 'terrorism studies' as a field of academic research. The first part of the seminar explains the terrorism as a concept, historical perspective, ideologies and characteristics of terrorism, its types and dimensions, causes of terrorism, different approaches to understanding terrorism.

The second part of the seminar will give a clear picture to the students about the global perspectives on terrorism. In this part, students will understand the origin, escalation, counter strategies and responses such as tactics and technology used.

Through this seminar, the students can get the knowledge about the spinal network of the terrorism, important terror attacks across the world particularly in the United States of America and Asian Countries.

The objective of the seminar is to:

- Provide a basic understanding of terrorism with reference to its origin and developments
- Provide an overview of the fundamental issues behind terrorism and the current responses
- Provide an overview of important national and international instruments in combating terrorism
- Provide a basic understanding of the importance of counter-terrorism and the counter-terrorism measures.

### **SPEAKERS**

1. **Mr. Ramachandra Sundaralingam** International Drugs Expert The International Criminal Police Organization (INTERPOL) France
2. **Dr. George Richards** Associate Professor, Department of Criminal Justice, Anthropology, and Forensic Studies, Edinboro University, Edinboro, Pennsylvania, USA

**International Seminar on "TERRORISM AND ITS SPINAL NETWORKS" by Dr. George Richards, Mr. Ramachandra Sundaralingam and Mrs. S. Bhavani Sankaran, on 16<sup>th</sup> and 17<sup>th</sup> August, 2018**

The Centre for Criminology and Criminal Justice and International Cell conducted an International Seminar on "Terrorism and Its Spinal Networks" on 16<sup>th</sup> and 17<sup>th</sup> August, 2018. The esteemed guests were **Mr. Ramachandra Sundaralingam** (International Drug Expert The International Criminal Police Organization INTERPOL, France; **Dr. George Richards** (Associate Professor, Department of Criminal Justice, Anthropology, and Forensic Studies, Edinboro University Pennsylvania, USA, and **Mrs. S. Bhavani Sankaran** ( Location Investigation Manager, Risk, Intelligence and Control, HDFC Bank Ltd. Chennai, Research and Scholar- part time, Bharatidasan University, Trichy).

॥वसुधैव कुटुम्बकम्॥  
**SLS**  
**HYDERABAD**

A total of 150 students registered themselves for this seminar, and they were selected on the basis of their statement of interest. This seminar enriched the students in the field of drugs, terrorism and Cybercrime. The topic of terrorism networks was covered by Dr. George Richards, whereas the lecture on drugs and its evolution was taken over by Ramachandra Sundaralingam and the scope of cybercrime was deliberated by Mrs. Bhavani Sankaran. The seminar gave a wide range of knowledge and information about drugs and its consequences. This seminar, helped to draw a conclusion of how and why the networks of terrorism are increasing day by day and how the vulnerable societies are targeted and how they become a prey to drugs and mafia. Mr. Ramachandra gave his real-life encounters with the International Drug mafia and criminals and he also stated that how youth nowadays are falling prey to drugs. Mrs. Bhavani Sankaran, through her lecture enlightened the participants about the various reasons for increase in cybercrimes and how the weak and vulnerable people are affected by it. The Seminar opened the platform for students and academicians to present their paper on various aspects of Terrorism and its Spinal Networks. The participants also actively participated throughout the seminar and put forth their perspective through open discussions and feedback on the paper presented during the seminar.

It was followed by Concluding Speech and Vote of Thanks by Dr. Rengasamy Stalin- Head - Centre for Criminology and Criminal Justice and International Cell.
