

1. CENTRE FOR AERO-SPACE AND MILITARY LAWS (CASML)-

Dated- 4th October 2018

In pursuance with the objective of Centre for Aerospace and military laws, the team of CASML organized an event in the form of a guest lecture on the topic New Indian Space Bill given by Mr. Vikrant Pachnanda who is a dispute resolution counsel and aviation attorney in the Supreme Court of India. The Government of India introduced Indian Space Bill in 2017 and open this for public scrutiny so that active members of the society can come up with their feedbacks for the same and that is how the event was planned in order to make this session more of an interactive session rather than a guest lecture so that the students can explore and come out with new proposals, new ideas and express them in a one to one talk with the guest.

5. Guest Lecture on “ROLE OF MEDIA IN THE PRESENT WORLD ORDER”

Date: 12th October 2018

The AWAAZ edit board organised a guest lecture on the role of media in the present world order. Ms Preeti Biswas, the Senior Correspondent of The Times of India, was invited to address the student on this occasion. Ms Biswas explained about the importance of Media; she stated that the Indian media had travelled a long way, from days of newspaper and radio to present-age of television and social media. News that was seen as a medium to educate the people on issues that were important for the society became a source of viewpoints.

7. Guest Lecture on –Need for Mediation in Environmental by- Mr Sanjay Upadhyay

Symbiosis Law School, Hyderabad, had the pleasure of hosting noted environmental lawyer from the Supreme Court, Mr Sanjay Upadhyay for a guest lecture to our students on the role mediation can play in environmental law. Mr. is an India Visiting Fellow to the Boalt Hall School of Law, UC Berkeley, starting India's first enviro- legal defence firm and serving as an expert to several international organizations such as the ILO, UNDO, FAO, Greenpeace etc. Mr. Upadhyay was kind enough to patiently answer the queries of students regarding environmental law, as students asked relevant questions pertaining to the need of the judiciary and legislation to improve their approach on environmental laws ensuring the safety of animals prone to accidents, PETA and more. Moreover, he also entertained a post-lunch session for queries alone, where interested students approached him with questions regarding a career in environmental law.
