ACADEMIC ACTIVITIES AND EVENTS AT SLSH:-

Group Discussion on "Prison Overcrowding & Possible Solutions"

The Centre for Criminology and Criminal Justice (CCCJ) of SLSH organised a group discussion on the topic "Prison Overcrowding and Possible Solutions" on the 3rd of November, 2023. The discussion revolved around four central points, which included how reforms in the legal systems can tackle the various loopholes that result in delayed justice, what can be a possible solution for elevating prison infrastructure, how to promote awareness and bring about community-driven solutions, and exploring alternatives such as legal reforms to expedite speedy trials, rehabilitation programmes, sentencing reforms, and improving prison infrastructure. Participants contributed thought-provoking insights and perspectives, reflecting a strong commitment to understanding and addressing the challenges associated with prison overcrowding.

Reel-Making Competition

Centre for Specialisation in Cyber Law Studies (CSCLS) of SLSH conducted a Reel-Making Competition on the theme, "Secure Our World: Our Interest in Cyber Space", on the occasion of Cyber Jagrookta Diwas to spread awareness regarding issues of contemporary cyber threats and online frauds. The competition made the students showcase their creative genius in a fun and exciting manner regarding the cyber threats in society.

Granules Green Kanha Run

Students and Staff of SLSH participated in the second edition of the Granules Green Kanha Run held at Kanha Shanti Vanam on November 19th 2023, in the event categories of 5-Km run and 2-Km run.

***** WE LOOK FORWARD *****
