Programme: (010324) BACHELOR OF BUSINESS ADMINISTRATION AND BACHELOR OF LAWS

Batch: 2021-26,2022-27,2023-28

Semester: IV

Course: Organizational Behaviour

Course Code: 0103240403

Date: 28/11/2025

Day: Friday

Maximum Marks: 45

Time: 10:00 - 11:30

NOTE : DO NOT WRITE ANYTHING ON THE QUESTION PAPER

PART II

Instructions

- All questions are compulsory and First and Second question carries 10 marks and Third carries 5 marks
-

Q1A. Organizations use different models of organizational behavior to shape workplace culture and employee interactions. (CO1)

- (a) Explain any two major models of organizational behavior and their impact on employee motivation and performance.
- (b) Discuss the four key elements of organizational behavior and how they interact to influence organizational effectiveness.

OR

Q1B. Case Study

A leading IT company recently introduced a new performance evaluation system. While the management believes the system is fair and transparent, many employees perceive it as biased and demotivating. Some employees feel that managers favour certain teams, while others believe the system does not accurately reflect their contributions. As a result, overall job satisfaction has decreased, and employee turnover has increased. (CO2)

Question:

- (a) How does perception play a role in how employees view the new performance evaluation system?
- (b) How can the company improve job satisfaction by addressing employees' perception of fairness? Suggest two strategies.

Q2A. Leadership theories provide different perspectives on how leaders influence and guide their teams. (CO4)

- (a) Compare and contrast Trait Theory and Situational Leadership Theory in terms of their core principles and applicability in modern organizations.
- (b) Discuss the relevance of Transformational Leadership Theory in today's dynamic business environment. Provide two real-world examples to support your answer.

OR

Q2B. Case Study:

XYZ Corp, a multinational company, noticed a decline in employee productivity and engagement. A recent survey revealed that employees feel undervalued, lack growth opportunities, and are not motivated by the current incentive system. (CO3)

The HR manager is considering two approaches to improve motivation:
Applying Herzberg's Two-Factor Theory to enhance job satisfaction.
Using Expectancy Theory to align rewards with employee effort and performance.

Question:

- (a) How can Herzberg's Two-Factor Theory be applied to improve employee motivation in XYZ Corp?
- (b) How can Expectancy Theory help the company design a more effective reward system?

Q3A. Write a short note on Perception, Learning, Attitude, Personality and Value with proper example. (CO2)

OR

Q3B. Explain Organizational Behavior and Its Contributing Disciplines and how they contribute on Organizational behaviour with example. (CO6)
