Q1A. "The British Parliament has full powers to amend the Constitution. It is a Legislative Assembly as well as a Constituent Assembly too".

Elaborate the above statement and critically analyze and appreciate the role of the British Parliament with the working of the Parliament of India and Australia in the light of the above statement. (CO2, CO3)

OR

Q1B. "The speaker does not believe, and always has believed that this is a Government through parties and that parties can act only through majorities. The Speaker had always believed in and bowed to the majority in convention, in caucus and in legislative hall and today profoundly believes that to act otherwise is to disorganize parties, i.e, to prevent coherent action in any legislative body, is to make impossible the reflection of the wishes of the people in statutes and in laws".

Elaborate and critically appraise the above statement. Elucidate the role and position of the Speaker of USA and compare and contrast with the role and position of the Speaker of India and British in the light of the above statement. (CO1, CO4)
